

# Piles Remedies

**W**hen **hemorrhoids** swell up or are swollen, they are known as **piles**. This is a fairly common problem in people from around the world. While piles remedies include a range of treatments from simple home remedies and prevention care in order to medicine and surgery. But in most cases when you know it is piles you are suffering from, the first response is to look for some natural remedies that can make a difference. Since this disorder is actually uncomfortable to talk about in social circles, seeking tips is difficult. Thus, most people turn to the Internet for tips and recipes. If you too are one of them, read on. Here are some natural home remedies you can use to get adequate relief for piles and its discomfort.

## You Like Eating Many Fruits, Soak Some Dried Figs in Warm Water

Keep them drenched for at least 8 to 10 hours. Have these figs twice daily. Also, drink the water they were soaked in. Another option would be to eat a small number of Jamblang (Jambul) with a pinch of salt as soon as you wake up in the morning. The only trouble is that this fruit is seasonal and can only be found in summers. In case you are fond of bananas, for pain relief during motions, try this. Take one ripe banana and mash it first. Then mix it in with a cup of warm milk. Have this mixture three times in a day, morning afternoon and night.

## Keeping Yourself Hydrated is Very Essential for Keeping Away from Constipation

You can take this a step further and use these tips to curb your piles problem. Drink radish juice twice daily. Not only will it help with piles but also keep your hemoglobin count on the good level. You can have anything from one fourth cup to be able to half a cup. For those of you who work and don't find the time to prepare concoctions every few hours, this is one for you. Boil a peel of pomegranate in two cups of water.

## Once Boiled for a Few Minutes, Turn the Heat Off

Let the water great and strain. Drink a sip this water from time to time throughout the day. You can carry it in a container with you to work. A good option for those seeking to reduce the pain caused as a result of piles is to drink buttermilk with a hint of rock salt, peppercorns and ginger, twice a day. Tasty as well as beneficial, these piles remedies needs to be tried.

“

*How is Hemorrhoid Gone in 48 Hours? Is it possible for hemorrhoid gone in 48 hours? Hemorrhoids are originally an integral part of the body. They are found in the vascular structures of our anal canal and they help in releasing stool. They are composed of artero-venous channels which...*

- Drinking concoctions or eating fruits is not favorable for you, try these natural piles remedies in a spoon.
